Where do WHO and WONCA meet?

Job FM Metsemakers

WONCA Europe President

Corresponding author: Professor Job FM Metsemakers, Maastricht University, Department of Family Medicine, Maastricht, The Netherlands. E-mail: job.metsemakers@maastrichtuniversity.nl

In this symposium Dr Hans Kluge, Director of the Division of Health Systems and Public Health, WHO Region Europe, will present about the plans and activities of the WHO Region Europe. The presentation will further focus on where the WHO calls for family doctors and how WONCA Europe can contribute to a strong primary care.

After his presentation Dr Anna Stavdal, WONCA Europe Vice-President will react to his presentation.

We will engage the audience in a question and answer session.
