The author has written opinion pieces for many publications, including The Irish Times, the BMJ, CMAJ and the Irish Medical independent. He is a GP and Pa lecturer in General Practice. The Aim is to facilitate, encourage and help group members in the art of writing a 700 to 800 piece for publication. The method is an interactive workshop exploring themes of importance to the group, in an enjoyable and informative workshop which will give them the skills to write themselves. There will be an emphasis on creativity
